S i r :

Responsive to the non-final Office action dated January 3, 2002, kindly amend the above-identified application as follows:

In the Specification:

Replace the paragraph on page 7, line 20, through page 8, line 12, with --

Referring now to the figures of the drawings in detail and first, particularly, to Fig. 1 thereof, there is seen a piezoelectric actuator 1 which includes a plurality of individual piezoelectric elements stacked one upon the other.
